

## Financial Tear Sheet

### Corporate Profile

Arch Coal (NYSE: ARCH) is the leading producer of metallurgical coal and the second largest producer of thermal coal in the United States, with a streamlined portfolio of large, modern, low-cost mines and a high-quality reserve base. Arch's operations have a proven track record of generating cash through all phases of the market cycle, with significant upside in rising price environments. With its solid financial foundation, clean balance sheet and top-tier assets, Arch is exceptionally well-positioned to capitalize on strengthening metallurgical coal markets and recovering thermal coal markets.
